

In Memory of Bob Kipe

11/12/47 – 05/30/02

On May 30th, 2002 Bob Kipe lost a valiant battle with colon cancer at age 54. Bob leaves behind his wife Connie, his two children Brian, 25 and Mindy, 22 and a brother Buck.

After graduating from Washington State University in 1970 with degrees in Business Administration and Electrical Engineering, Bob started his career as a salesman at NCR. He then joined Cap Gemini America as a marketing manager in 1981 and went on to start Kipe & Associates in 1991. Bob enjoyed reading (Dick Francis, Tom Clancy), going to movies, and answering trivia questions and riddles. Bob was extremely proud of his membership in the NACCB and especially his participation in Lobby Day. Around the office he was known for being a wicked Trivial Pursuit player. He also enjoyed golf, but like for most people it was a love/hate relationship.

Bob will be remembered as an industry leader, an active NACCB member and a dear friend to all who knew him.

To honor Bob's memory, the NACCB has established **The Bob Kipe Memorial**
